

Community Engagement Plan

Nurturing Dreams and Visions Independent Living Center Inc., (NDVILC) coordinates and plans for emergency response preparedness through policies and procedures, employee training and internal communication via staff meetings as they pertain to residential facilities licensed by the Ohio Department of Job and Family Services. NDVILC Inc., operates one group home in Montgomery County, Dayton, OH and one group home in Harrison Township.

This community engagement plan includes protocols for the community in which NDVILC Inc., is located to communicate concerns or other pertinent information directly to the facility. NDVILC Inc., shall provide a copy of the protocols to communicate concerns or other pertinent information directly to the facility upon request to an individual.

The Chief Executive Officer and Administrator will assess individual community concerns. Concerns will be addressed within 5 working days of receiving the request via telephone or written correspondence.

NDVILC, Inc., will post on its website the community engagement plan, along with the agency's phone (937)210-9507 number and e-mail address.

ndvilc1@gmail.com

website: ndvilc.com

NDVILC, Inc. will provide an awareness letter to first responders and county officials documenting pertinent contact information and a description of the agency's policies on emergency preparedness, medical emergencies and emergency/disaster evacuation plan.

In the event of a community emergency, first responders and anyone in the community who needs to communicate concerns or other pertinent information should contact CEO, Angela Edwards at (office) 937-210-9507 or Derrick Edwards (evening) 937-238-7110,

Respectfully submitted,
Mr. Derrick Edwards, Administrator
